*Charity Edition for Breast,  
Prostate and Childhood  
Cancer Awareness*

**TRIOPLAST**

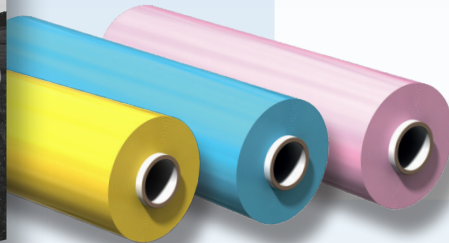

# teno plus<sup>®</sup>

## Get more with less!

We close the loop, with our new yellow film the family is completed! These limited editions support the reasearch of breast cancer (pink), prostate cancer (blue) and childhood cancer (yellow).

- High quality recipe and production for best silage
- Better efficiency and performance due to 1900 m premium stretch film
- Works for all bale types and on all machines
- Water-protected paper core
- The charity raises money for donation to cancer research\*
- Same quality and performance as other Tenoplus 1900 colours, just a different pigment in the film

\*Amount of money is depending on agreement in each country/region where the product is sold
